Fee Schedule - Further Regulations

1. The fee is to be paid for a full year, independent of start or end date of membership within the first or last year. Members who cancel after 1st January will still owe the membership fee for the current year, along with any unpaid fees from previous years.
2. Members provide a SEPA Direct Debit Mandate with the required bank data when submitting the membership application form. (Exceptions have to be requested by members outside of the SEPA territory.)
3. The fee is due on 1st January and will be debited by 15th January via SEPA automatic debit.
4. Students are asked once a year whether their status has changed.
5. Members who do not pay on time (e.g. if direct debit is not accepted) will be reminded once by email. Their membership will be cancelled after one year of non-payment. Unpaid fees are nevertheless owed.
6. Schools report the current number of students on 1st December.
7. Cases of conflict should be solved by communication between member and council. If no solution can be reached, then the Oversight Committee can be asked to make a decision, as required.
